1. The S.S. OITUZ has been refloated at Constanta, and handed over for repairs to the SOVRON Transport Agency. These repairs will probably be completed by the spring of 1949.
2. Work is proceeding, under the direction of the "Direction des Ports Maritimes", on the refloating of seven other vessels which had been sunk in the Constanta roads. The equipment for these salvage operations has been imported from the Soviet Union.
